VOL. 14 NO. 14 WEDNESDAY, APRIL 4, 1973

15¢ 10¢ BY CARRIER

Bus Firm Prepares Revised Schedule

Mr. Crimstead, manager of Western Bus Lines has spent considerable time and study preparing a new proposal for a bus schedule to serve St. Albert, with the major effort in the area of accommodating people who work in the city, plus improved service for the new areas of Forest Lawn, Lacombe Park and Grandview Ridge.

The proposal would have four buses covering the morning work hours, with runs initiating from 6:15 until 8:40. In addition if put in operation, he is prepared to have stand-by buses available in case of overloading during the morning and afternoon work starting and work quitting times.

To further expedite peak bus traffic the schedule has

provision for two bus routes through town, so that time can be saved by collecting customers from both halves simultaneously and getting them into the city about 25 minutes faster.

Town council is also taking considerable interest in getting the best possible service and in this issue there are two insertions of the proposed schedule, and residents are thereby requested to submit their suggestions to both the council and the Department of Transport.

Interested citizens should go over the proposed schedule carefully and make their reaction known.

WI Fashions Friday

At the meeting of the WI on March 27 the main item of business was the fashion show on Friday evening at Father Jan school which is coming on well with a few last minute things to attend to.

Also discussed were several projects for which the money raised will go. New projects were suggested and further attention will be given to these. The District Conference is on April 14 at Warspite. All handicraft must be given to Sharon Taylock - 45 Swallow Cres. by April 6.

Speaker at the meeting was Constable Lindley, who spoke on current St. Albert problems. A very enjoyable lunch was served.

This is the scene of a two-car accident which took place Sunday afternoon on Bernard Drive. None of the persons involved was injured but damage estimates have been quoted at about \$1,200 in total. The RCMP officer investigating the crash scene is Const. L. R. Johannes. He is seen talking with the driver of one of the vehicles. In the background are Jim Paul and Al Short of Grandin Esso towing one of the cars away.

Citizen draws \$300 fine for telephone hoax call

A citizen of St. Albert appeared in court last week charged with intent to alarm a telephone operator by conveying false information which lead persons to believe he had been stabbed. The accused pleaded guilty and was fined \$300 or the option of four months in jail.

The accused called a long distance telephone operator after midnight March 26 and reported that he had been stabbed in the back. With a falling voice, the accused conveyed to the operator that he was seriously injured and could not divulge his true identity, his address or telephone number.

His 'act' was so realistic said witnesses that police and hospital staff in St. Albert were immediately alerted. Const. Terry Langford, who was on duty at the time, initiated a telephone trace through electronic means and managed to pin-point the caller's address and telephone number. Const. Langford and Const. Marc Snell gained admittance to the accused's apartment and found the 'would-be victim'

in excellent health who was immediately arrested.

The court was told that the 'hoax' had tied up Alberta Government Telephone personnel for over one hour, tied up both incoming lines to the Sturgeon General Hospital for the same length of time plus

four curses, the RCMP desk clerk and two police constables.

In view of these circumstances brought about by the accused through telephone harassment, police recommended a severe penalty and the 'telephone artist' got it.

Local Women Join Food Price Fight

Three St. Albert women are joining Edmonton housewives in the PORC movement, Protest Outrageous Rising Costs and will welcome support from all interested residents.

PORC is circulating a petition for presentation to the provincial government with a 'demand for legislation and investigation into this matter.'

The petition started in Edmonton through the efforts of two women, and Joan Symonds, a local Canadian Consumers Association representative, heard them interviewed on a radio show. When she telephoned to offer her support, she was given

the names of two of our local gals who had done the same, Mrs. Derieux and Audrey Lilje.

The women have picked up copies of the petition and plan to circulate it on the Grandin Mall Thursday, Friday and Saturday - identified with red balloons.

PORC wants the petitions in by next Wednesday, and the women are hopeful of getting it presented at the legislature on the 12th or 13th. Foodstuffs and food products receive the major emphasis.

Anyone wanting to help should telephone 459-7847, 459-3610 or 459-8979.

Fire Department orders vacant building secured

St. Albert's top-rated fire department was prompt in responding to a fire call Monday afternoon at the vacant store located at the corner of Perron Street and Mission Avenue.

Upon closer investigation, Chief Fred Tetarenko and his crew discovered a bag of rags burning in the basement of the old structure.

Fight Cancer

April is Cancer drive month, and the St. Albert CWL is co-ordinating the campaign. They need more volunteers in all areas of the town and women who can lend a hand on this most worthwhile project are asked to call Muriel Sabourin. A blitz canvas will be conducted Wednesday, April 11th after 6 o'clock.

Once the source of the fire was disposed of, smoke cleared and no damage to the premises was reported.

Investigation of the premises revealed that both front and back doors were unlocked. The owners were instructed to secure the building in order to discourage anyone from entering the premises.

While talking with Chief Tetarenko, he told The Gazette that his department stood without a single call during the first half of March. From the 17th until the very last day of March, his crew answered about 15 calls, mostly from within the MD of Sturgeon. All were classed of a minor nature excepting a trailer fire at 126 Avenue and 156 Street where a mobile home was considerably damaged. Chief Tetarenko said that the other fire calls involved furnace motors, grass fires and the such.

Mr. C. Mayor: is congratulated by Ernie Jamison, who drew his ticket, on winning a Trip for Two to Hawaii at the Junior Bruins hockey party last Friday night, while Ron Yunosik, left and Garth Leask at right look on. Mr. and Mrs. Mayor are strong Bruin supporters and attended about 60 per cent of their games.

Clark Detachment Commander

Sgt. John D. S. Clark, formerly of Lac La Biche has assumed command of the St. Albert RCMP detachment April 1st.

Sgt. Clark, distinguished RCMP officer whose years of service in the force read like a script for a police thriller, replaces Sub/Insp. Jack Roy who is now in Calgary.

The Clark family consists of John's good wife Jean and three children still at home. They are Brenda 17, Hileyon 6 and Ryerson, 4 years old. The three older members of the Clark family are Francis, who is married and living in Calgary; John Jr. and Brock who both work for MacIntyre-Porcupine in Grande Cache. Sgt. and Mrs. Clark have just moved into their new home at 27 Broadview Cres.

SGT. JOHN CLARK

Around Town

Dr. Walter Skrobot and Vic Post are presently in London, beginning a holiday of over three weeks. Dr. Skrobot will attend a medical convention in London, after which they will visit various points in central and southern Europe.

The Medley Opera produced and performed by the Pitch and Spice singers and musicians will be given an advance staging at Vital Grandin school on Sunday, April 8 at 2:30 p.m. Fee for children is 50¢.

The St. Albert Parish Kindergarten is making registration forms available at the Roman Catholic Church and the Sturgeon Health Unit. These forms are being distributed for the forthcoming kindergarten school term. Parents who are planning to register their youngster, please remember that May 31 is the deadline.

Charles Van Elslande who opened the Toronto-Dominion bank here last year received a transfer to the bank's inspection branch recently while Robert (Bob) D. Thomas of the T-D inspection branch has taken

over the management of the branch here. Charles now works out of Edmonton. Bob plans to move to St. Albert sometime in April. Bob is still single and is presently viewing the possibilities of joining the Breakfast Lions. We saw Bob and Harry Hutchings in deep conversation just the other day and it would appear that Bob will attend the April 10 Lion Breakfast meeting.

Harry Hutchings, accompanied by his wife and daughter journeyed to Slake Lake Sunday, where Harry attended a meeting of the Mid-night Twilight Tourist Association, of which he is treasurer. Business and planning for the coming season tourist promotion throughout the large zone extending north of St. Albert kept him there from two until six o'clock. Mr. Hutchings reports that the Sawridge Motel, opened last September by Keith Murray, formerly of the MacDonald is a marvelous ultra-modern motel, and already they have begun work on an extension.

Denny Taylor of the St. Albert Branch of the Royal Canadian Legion dropped by to let us know that the Legion Pipe Band could certainly use some more adults, and any highland pipers or drummers would be welcomed with open arms any Sunday at the 11 a.m. practice session. Interested persons should contact Don Simpson at 459-5277, or Roger Stephens at 459-8763.

These youngsters were all up for their tests under the eagle eye of John Kleinschroth of the Alberta Recreational Skating Association. Left to right: Mark Pesklewis, Darrell Ness, Walter Lloyd, Jeff Gibson, Rollie Mowatt, Bernie Joyal, Jamie Sander, John Pesklewis and James Emson. All but one of these lads past their tests and were awarded junior badges. It's expected that some of these youngsters will participate in the April 13 and 14 figure skating club carnival.

Carnival plans shaping up well

The carnival that wraps up the end of the figure skating year is close at hand and residents, who look forward to the show that our youngsters work so hard on all year, have a treat in store on April 13 and 14.

The carnival committee has been working on some professional accessories to "Around the World in 80 Minutes." The group has made plans for lighting this year and spotlights on the young stars will add to the story book effect.

Costuming is an ambitious part of the ice show and the ladies who have spent weeks planning and sewing will surely appreciate the ahhs they will produce throughout the two evenings.

The commentary is to be handled as in the past years by some very capable guests from the Toastmistress Club. These extras and the work that the two club pros have been putting into the routines, plus the guest appearances that the association is lining up, will make for a wonderful ice show. It will show off the budding talent that has been developing behind the facade of the St. Albert and District Arena all year.

Debra Lynn Paul, local figure skating champion, and Gary Beacon of the Glenora Club will give fans a pro-

fessional skating treat and the Lions band under director Bob Heurman will again make an important contribution.

Advance tickets are on sale by members of the club, at Hutchings Shoes and from members of the Breakfast Lions.

Opera preview goes tonight

The St. Albert Public Library is sponsoring a preview of the Edmonton Opera Society's next productions Cavalleria Rusticana and Pagliacca, tonight at 8 p.m. in the library lecture room.

This evening's program, organized by Mrs. Pat Romanov, will include film strips of both operas, recorded excerpts, and comments from Mrs. Romanov. Coffee will be available. Mrs. Romanov has had extensive training and experience in the realm of opera and is a resident of St. Albert. Young and old, opera buff or novice, all are cordially invited to this enjoyable and informative program tonight at the St. Albert Public Library.

PUBLIC NOTICE

Residents of the Town of St. Albert are hereby advised that Bylaw No. 35/67 in regard to regulations on keeping dogs within the Town of St. Albert has been amended by Bylaw No. 17/73. This amendment provides that any person who is the owner or harbinger of any dog which is allowed to run at large contrary to the provisions of the bylaw may be issued a ticket requiring him to pay to the Secretary-Treasurer of the Town the sum of \$15.00 for a licensed dog and \$25.00 for an unlicensed dog. The payment of \$25.00 is to include the cost of the license.

This notice is a warning not to permit dogs to run at large and the increase in fine from \$10.00 is made to facilitate more dog control.

R. B. Bowen,
Secretary-Treasurer.

St. Albert

PUBLIC NOTICE

On April 26, 1973 at 7:30 p.m. in the Town Council Chambers, a committee appointed by Town Council to investigate the operation of snowmobiles in the Town of St. Albert and to make recommendations thereon, will receive submissions from interested citizens or groups within the town.

All such submissions MUST be in writing and be received at Town Hall no later than April 18, 1973. Envelopes should be marked "Attention Snowmobile Committee."

Any person or group making a submission and wishing to speak at the meeting will be advised in writing of the agenda for the evening.

You are urged to take advantage of this opportunity to express your thoughts on this controversial matter.

R. B. Bowen,
Secretary-Treasurer.

Myles Maloney, son of Mr. and Mrs. Vince Maloney of 17 Belmont Drive, was the winner of a Formula 10 ten-speed bike in a contest sponsored by Hutchings Shoes in Grandin Mall. Harry Hutchings congratulates Myles as he turns over the bike to him. All entries in the contest, sponsored by North Star joggers are being forwarded to Toronto for national draws, so St. Albert could have another winner. In all 500 bikes will be awarded, 300 by dealers across Canada and 200 by North Star head office.

Family Campers plan many summer outings

At the April 15 meeting of the 69ers Family Camping Club, trophies will be presented to the top adult and top child in the club's bowling program. The awards are based on the best increased average over the seven-month period. The meeting which will include a film for children, begins at 7:30 p.m.

First trailer camp-out of the season will be at Klondike Valley Trailer Park on May 12 and 13, and plans have been mapped out for every weekend through to Labour Day. For that weekend the club will join the three-day rally of all mem-

bers of the Alberta Travel Trailer Association in Red Deer.

Serving on the 69ers executive this year are Herb Brige, president; Ray Ethier, vice president and wagon master; Harold Kay, secretary and Elmer Brige, treasurer. Irene Ethier, Phyllis Jensen, Doreen Allen and Melrose Cockburn form the entertainment committee, Emma Montague and Jean Brige are the phone-in committee.

People interested in further information on the 69ers Family Camping Club are invited to telephone - Del Brige at 459-8290.

Little Dana Drysdale, 3 and 1/2 years old did 29 laps at the Klonsmen skate-a-thon, and nobody was more surprised than her dad Jim, who cheerfully pledged \$1 a lap and thought she might possibly do three or four. Dana is seen in white helmet. Children are reminded to turn in their money at any local bank.

Barometer plots progress of Ranger - Guide girls

Robinson's Pet and Hobby Shop is the Progress headquarters for the Ranger-Guide Wyoming Trek International Camp in August. A large poster in the shop window has a barometer depicting a bus which charts their fund raising progress from St. Albert to National Centre West at Ten Sleep, Wyoming. Stop by and see how the girls are doing.

St. Albert residents can help to move that bus along its track by supporting their projects this month.

Saturday, April 7 - A car wash at Grandin Shoppers park, from 10 a.m. to 4 p.m.

Saturday, April 14 - the Ranger Easter Tea, Bazaar,

Letters

EDITOR'S NOTE: The Gazette received two letters this week, both defending hockey refereeing in Jasper. One letter nowhere shows the writer's name and the other request a pseudonym. The Gazette does not publish any letter without the writer's name, but if the two people will write in giving consent to their names being signed, they will be carried in the next issue.

Bake Sale at the St. Albert Community Hall on Perron Street from 11 a.m. to 3 p.m. You will find everything from a handmade coverlet, home canned pickles, and homebaked goods, handmade jewellery, toys and flowers and a fish pond for the children.

Miss Jeanette Feil of 6 Mont Clare Place was one of the lucky winners in the Grand Opening draw held at Crescent TV Service & Sales Ltd., last week. Crescent moved from Perron Street to Sturgeon Shoppers Plaza and were marking the opening of their new and larger premises. The gift of silverware being presented by Fred Goetzinger, co-owner of the firm will be a welcome addition to Miss Feil's hope-chest since she will be a bride June 23.

Council

Bylaw 13/73 was ratified Monday night by a vote of 3 - 2. This bylaw empowers town council to refund \$554 to the St. Albert Snowmobile Association. Members of council voting in favor of this bylaw's third and final reading were Mayor Ray Gibbon, councillors Myrna Fyfe and Rod Thronson. Voting against were councillors John Bakker and Frank Lukay. Both councillors Bob Hudson and John deBruijn were absent for Monday's meeting.

Another bylaw received all three readings at Mon-

day's regular council meeting, this one is 51/72 being an amending bylaw to 10/63 empowering St. Albert RCMP to impound bicycles found to be not equipped with lights, rear reflectors or other safety features.

The bylaw spells out the period of impoundment "up to 60 days." This clause caused some concern for Councillor Bakker who agreed to vote in favor providing the 'up to 60 days' clause would be studied by the transportation committee and the RCMP.

Ex-RCAF Gunner Takes Aim On Formation Of Society

"There was a very real sense of fellowship among air crews during the war," Doug Penny of Grandin Flowers said, "and we're going to rekindle that spirit through the Wartime Air Crew Society of Alberta."

Doug, a former wireless air gunner who completed a tour of operation with the Pathfinder Bomber Group during WW2 explained that he and several other wartime buddies are the association's organizers. Doug explained that a need for such an organization has made itself felt in this region over the years and that is why he and several other ex-air crew members decided to do something about it.

Everybody in the Allied forces who received wings

and saw wartime service is eligible to join. Mr. Penny estimates that about 600 members live in and around Edmonton and plans of the association include expansion to cover the entire Province of Alberta.

Doug says that at the present, association organizers plan to hold about four dinner functions every year at which ex-air crew members will have an opportunity to reminisce, renew old acquaintances and make new friends.

Those interested to join or simply obtain more information about the new Wartime Air Crew Society of Alberta are invited to phone Doug Penny at 454-5969 or Jack Meredith at 452-1686.

A top-of-the-line electric knife was one of the many valuable prizes won last week during Crescent TV Sales Grand Opening three-day event. Above is a happy mother, Mrs. A. Fraser of 51 Greenbrier Cresc. pointing the knife at the cameraman while her lovely little daughter Karl, one year old, was looking the situation over.

Crescent TV Moves

Co-owners of Crescent TV Service and Sales Ltd., Fred Goetzinger and Ron Wilson have moved their store from Perron Street to larger quarters in the new Sturgeon Shopping Plaza located along The Trail and Sturgeon Rd.

To mark their move to a new location, Crescent TV featured a three-day grand opening sale last week and due to the excellent success of their sale the co-owners

decided to extend 'value time' by two extra days April 2 and 3. During the initial three-day sale, Ron and Fred gave away about 45 door prizes ranging from radios, electric popcorn units to dozens of minor but very valuable items.

The new Crescent TV premises have been more than tripled in size, allowing Ron and Fred ample display and sales area plus space for repairs and storage.

All St. Students Working On RCMP Project

The RCMP Centennial is proving to be one of the highlights of the year for St. Albert's young people. It appears that it will certainly be a well-remembered Centennial.

Students and teachers from every grade level in both St. Albert school systems are participating with a keen enthusiasm in the essay project being conducted by the local RCMP detachment.

The project is a "first" in Canada as far as this particular type of RCMP Centennial project is concerned, according to Solicitor General Warren Allmand. It's the first involving the entire youth of a given community so extensively.

The students are researching data relative to the Force's history, viewing films and slides, listening to tapes and gathering information from a wide variety of sources.

School authorities from both systems regard the

project as a valuable educational experience. It is certainly a vivid way in which to make the students aware of the 100th anniversary of the Force and also of the significant role which the Force has played in the opening and the development of the Canadian West. Doubtless, this project will have a far-reaching impact on the youth of this community for years to come.

Teachers regard the project as an opportunity to enrich and expand their regular classroom programs. In addition to tackling the challenges of researching, interviewing and summarizing the students have a chance to express themselves creatively in writing.

During the course of the project many valuable materials (e.g. archives, old photographs, newspaper articles, biographies) have been accumulated. Copies of these have been made and an RCMP "Information File" (to be further extended) has

been assembled. It will be available for school use in years to come. Certain of the materials have been forwarded to the Glenbow-Alberta Foundation in Calgary where copies of them will be made and retained there for public use.

With the essay project deadline nearing, one of the most exciting events, as far as the students are concerned especially, is yet to come. It is the special RCMP display, "Your Royal Canadian Mounted Police" being organized by the St. Albert RCMP Detachment. This is scheduled for April 6, 9 a.m. to 5 p.m. at the Standard General Construction Building on Bellerose Drive (just east of the farm implement dealership). The display will attempt to give students an insight into the varied present-day duties of the Force and also an opportunity to realize the momentous evolution which the Force has undergone during its first century.

Nature's Pantry To Open In Grandin Mon. April 9th

Nature's Pantry will officially open at 24 Grandin Shoppers Park, Monday, April 9 and this business will be a 'first' for St. Albert. Although this thriving community can boast of having everything, until now, it did not have a health food store. Starting next Monday St. Albert will have its own first health food outlet.

Nature's Pantry is owned by two St. Albert residents, Mrs. Wanda Pietrzak and Mrs. June McCray. In view of Mrs. Pietrzak's other store in Westmount Shopping Centre, called Westmount Health Foods, she will be kept busy there while Mrs. McCray will manage the St. Albert Nature's Pantry.

Besides her thriving business, Mrs. Pietrzak is also president of the Canadian Health Food Association (Alberta Chapter) and she will be chairing the health food national convention scheduled for May 14 - 15 and 16 in the Jubilee Auditorium where many distinguished guests will be present.

St. Albert's new health food store will carry a complete line of health foods, defined by Mrs. Pietrzak as "an outlet for foods that have not been refined and sold without preservatives or additives."

Mrs. Pietrzak explained that health foods in her stores appeal to an ever-

broadening clientele and she pointed out specifically that young people of today are amongst her best customers, and so are sportsmen and sports women.

Nature's Kitchen will be located in the northern section of Grandin Shoppers Park, in the premises formerly occupied by Agnes' Coffee Corner.

Eagles upset Comets out of playoffs

Westlock Eagles eliminated St. Albert Willowbrook Comets from further play in the Edmonton Central Hockey League playoffs with a convincing 4 - 1 win last Friday night in St. Albert. The win gave the Eagles the best of five semi-final series three games to two. Eagles now advance into the league finals against Stony Plain who took out Sherwood Park Barons.

Comets staged quite a comeback against the Eagles winning the third game in Westlock 4 - 2 and evened the series with a 3 - 1 win in St. Albert. Westlock had won the opening two games by 7 - 2 and 10 - 3 scores.

In the Comets 3 - 1 win last Wednesday, Rick Perrault, Henry Hodgson and Gary Checknita scored while Leo Seguin replied for Westlock.

In the final game on Friday, Al Laplante took a pass from Jim Read and scored a picture goal with only 59 seconds gone in the first period.

Westlock tied the game at the 5:03 mark when Neil Bain slipped one by Zane Jakubec in the Comet goal.

Both teams were cautious during the remainder of the period not wanting to give up a easy goal.

Play in the second was much the same although both goaltenders came up with some good saves.

Eagles, Tim Roulston put Westlock ahead 2 - 1 with only 2:30 gone in the third period and this proved to be the winning goal. Comets now had to open up but couldn't get the puck by Paul Provincial in the Eagles goal. Eagles put the game out of reach on two goals by Pete Provincial.

The loss ends the Comets season which has been by far their best in many a year. They easily won the regular schedule of the Edmonton Central Hockey League winning 21 losing 5 and tying 1.

Henry Hodgson was leading scorer and finished second in league standings to Leo Provincial of Westlock. Hodgson scored 43 goals and added 35 assists for 78 points.

Zane Jakubec also won the goaltending honors.

Following league play St. Albert started a interme-

diate A playoff schedule that produced some of the finest senior hockey seen in St. Albert.

In a two-game, total goal series, Comets eliminated in order, Ray's Esso 12 - 7, Jasper Royals 14 - 11, Westlock Eagles 8 - 4, and Fort Saskatchewan Huskies 8 - 6.

The win over the Fort gave the Comets the Vin Stanley Trophy as the Northern Alberta Intermediate A championship. Comets bowed out of further provincial play with close 4 - 2 and 4 - 3 losses to Banff Bisons.

One of the best improvements the Comets made this year was their clean, aggressive play that produced excellent crowds. Should the Comets continue to play this brand of hockey they will pack the arena for every game.

Another plus was the sponsorship of Rudy Scheibelhofer of Willowbrook Homes stepping in this season to sponsor the team. This ardent sportsman usually comes up with a winning combination and should be back again next year.

Finally a huge round of applause should go to coaches Gary Checknita and Al Laplante for bringing the finest senior players around to St. Albert. A good percentage are local boys and their style of play is a credit to the game and to St. Albert.

Rene Brodeur and Dave Lewis did an excellent job in management as there were very few hang-ups during the season.

Two trophies were presented at the St. Albert Bruins junior hockey club wind-up hockey party last Friday night. Players voted Rick Burry (left) as the most valuable player and he received the St. Albert Sportshop trophy. The Rene Pouliot trophy for top scorer on the Bruins went to Jim McComb (right).

Players surprise brass at Junior Bruins party

Following the trophy presentations, door prize draw which went to Doreen McKenzie and Trip to Hawaii draw at the Bruins junior hockey team party last Friday night, the players took over for a surprise presentation of their own. Captain Ray Gauthier expressed very capably the apprecia-

tion of the team for four key people who gave them the opportunity to be in on a new junior team in St. Albert this year. Ron Yanosik, Garth Leask, Rick LeLacheur and Rene Pouliot were each presented with handsome plaques on behalf of all the players, with Craig Neeser and Rick Burry, assistant captains helping Ray with the gifts, while the team and fans showing their feelings in their tremendous

applause. On Wednesday evening the new jackets given the players by the hockey club arrived and residents will shortly be spotting the smart maroon and white nylon jackets with crests as the young fellows get around town.

The band was lively, the supper was good and the large crowd in attendance had a great evening, at the first Bruins wind-up event.

Soccer Clinic Time Change

To avoid overlapping the televised NHL playoffs the start of the Soccer Coaches Clinic covering Rules of Soccer being held in the Sir Alexander Mackenzie school gym on Thursday evening, April 5 has been revised from 7:30 p.m. to 8:15 p.m. We hope all coaches will be able to attend even if they arrive a little late. The session will last until 9:45 p.m.

On Sunday evening April 8 at 7 p.m. a meeting of the EMYSA coaches will be held in the Grandin Clubhouse to advise coaches of the EMYSA registration requirements and rules of play re - substitutes etc.

This meeting should last approximately one hour.

Trophies presented at Ladies curling meeting

About 100 St. Albert lady curlers gathered at the rink lounge last Wednesday evening for the club's general spring meeting and trophy presentations for all section winners.

A & B winners in the three womens leagues were as follows: Tuesday League A Section winners of the Northgate Motel trophy, the Shirley Fisher rink with Bev Mataga, Ida Heyden and Lucille Osborne. Claire Bonneyville made the presentation. B winners were the Pearl Quintal foursome with Mary Lou Rouault, Elsie York and Betty McCrum. Ernie Jamison presented the Gazette trophy.

A section winner in the Wednesday morning league

was the Betty Anderson rink including June Haudenschild, Marion Murray and Pat Sullivan. Doreen Dolman's rink won the B, with Nonie Taylor, Lota Whitford and Olga Kolomyjec.

In the Wednesday evening league Anita Ratchinsky, with Karen Schultz, Sharon Kupach and Lois Mill won A section and the Abes Auto Parts trophy. B winners were skip Nancy Pushor with Glenis Edwards, Dianne Pearce, Ida Robb, who received the Bernice Donalds Memorial trophy.

The Fisher rink also captured A section trophy in the Thursday league and were presented the Dr. Norman Dolman trophy by Doreen Dolman. Lois Hill's rink

won B section, with Eileen Grantham, Bobbi Ramey and Sonia Hodgins and were presented with the Awards Unlimited trophy.

The Northwestern Utilities Club Championship trophy was also won by the Shirley Fisher rink.

Lacrosse

The Friday night lacrosse clinic for Novice Bentam and Oldtimers divisions will be held at the Paul Kane High School gym for this week only, rather than at Sir Alexander Mackenzie School.

Ken Pollon (left) of the St. Albert Sportshop proudly presents the most valuable player trophy to defenseman Rick Barry.

Fastball league names Bird new president

The Sturgeon Men's Fastball League held its first meeting of the season Monday night in St. Albert, when Richard Bird was installed as president. Bird takes over from Mike Hample. Vice-president went to Gerald McGinn of Stony Plain and Larry Mitchell retained the statistician job.

Six teams confirmed entry as Stony Plain Playboys, Calahoo Chiefs, Spruce Grove Eagles, Villeneuve and Michael's Catering are set to go. Michael's are now sponsoring the old CJD/A-1 Tire club.

Grandin Esso Tigers did not show and presumably are out.

Griesbach showed interest and may gain entry. The next meeting will be held in the St. Albert Clubhouse, Sunday, April 15 at 7:30 p.m.

The league could use one more team and anyone interested may phone Larry Mitchell at 459-4941.

Chiefs fail to break Westlock win record

It just seems that St. Albert Fire Chiefs bantams are not destined to ever beat Westlock.

Fire Chiefs went down 7 - 3 in Westlock last Thursday in the opening game of the best-of-three league final. It was the eighth straight game this season that Chiefs have failed to come out on top against the hard-skating Westlock team.

Chiefs were noticeably out of condition for this game, however, having not been on the ice for nearly two weeks. They trailed 3 - 0 after the first period, mainly as a result of poor clearing passes that Westlock inter-

Alberta RCMP Team Fails In Hockey Final

Corp. Dan Vars of St. Albert's RCMP Detachment has just returned from Regina where he and his team mates of the Alberta Centennials played March 30 and 31 in the hockey finals. Although the Alberta champs didn't come home with the Dominion Trophy, they lost to the champions... and that in itself is quite a victory.

The Alberta Mounties' first game ended in a 3 - 3 tie with the Manitoba RCMP team. The Albertans lost by a score of 3 - 1 to Saskatchewan, then defeated British Columbia 4 - 1 and the Regina Depot Training Camp team 5 - 4.

At the end of the round robin the Alberta team then came up against B.C. and won 4 - 3 to qualify for the final championship encounter with Saskatchewan. This last game was the heart-breaker. At the end of the second period, the Albertans had Saskatchewan down 3 - 0. This wide margin was eventually closed to a 3 - 3 tie with only 40 seconds left in the last period. During the first 10-minutes of overtime play, Saskatchewan scored on the Albertans

Scorpions win Enoch tourney

Calahoo Scorpions continued their successful tournament winning ways last weekend taking the Enoch Band eight-team tournament.

Scorpions had no trouble with their opening game as they blasted Edmonton Steelers 10 - 1. Jay McGeough led the attack with five goals while Jacques Contant, Andre Contant, Wilf Berube, Roger Berube and Jack Wozny added singles.

In their final game which was worth \$200, Calahoo shutout Elmwood 5 - 0 behind the strong netminding of Gerald McGinn. McGeough scored a pair while Jacques Contant, Emile Berube and Dale McMillan added singles.

The Scorpions also collected another trophy for the Gazebo trophy case.

NOTICE

Anyone knowing the whereabouts of Joseph A. Groner once of St. Albert, Alberta and/or Mr. Groner's son Curtis Dean Groner it will be appreciated if word could be relayed to the Public Trustee for the Province of Alberta, 200 Chancery Hall, Sir Winston Churchill Square, Edmonton, Alberta so that a matter of importance can be relayed to the parties mentioned herein.

RECREATION HIGHLIGHTS

JOINT USE:

It's spring cleaning time and our schools are no exception. During the Easter holidays schools are cleaned and in many cases the floors of the gyms are given a thorough going-over. Most activities held in the schools will be cancelled during the holidays to allow the very able band of cleaners to get on with the job.

LOST AND FOUND:

The skates, boots, mitts, jackets, etc. left at the rinks and still unclaimed at the Town Hall will be disposed of within the next week. This is the last call!

AREA SKATING:

There will be no more public skating at the area this season.

ARTS AND CRAFTS:

A separate advertisement in this issue includes information about the spring classes sponsored by the St. Albert Arts and Crafts Guild. It also includes a registration form which hopefully will obviate some of the problems previously encountered through the short-comings of the door-

to-door delivery.

A more detailed program is available which describes the "class content." Copies are available at the Town Hall as well as registration forms. Programs and registration forms are being mailed to general members and participants in the present session of classes.

CAMPING:

The St. Albert 69'ers Family Camping Club was formed in 1969 with the purpose of promoting better camping and to allow members to exchange information on camping facilities available and perhaps better camping methods.

Anyone interested in camping, whether it be in tents, trailers, campers or whatever, is invited to phone Mr. and Mrs. Brige at 459-8290 or Mr. and Mrs. Kay at 459-7488 for information about the club. Members meet on the third Sunday of each month.

SQUARE DANCING:

The St. Albert Saints and Sinners will be holding their next regular dance in Sir Alexander Mackenzie school on Saturday, April 7.

SOFTBALL:

The second and final registration for softball (girls 8 - 16 years) will be held in Sir George Simpson school on Saturday, April 7 from 9 a.m. - 12 noon.

BASEBALL:

The last opportunity to register for baseball (boys 8 - 17 years) will be on Saturday, April 7 in Sir George Simpson school from 9 a.m. - 12 noon. Registration forms are available at the Town Hall and also at the time of registration.

The Legal Recreation Board's "Sportsman of the Year" award went to defenseman Remi Cyr. Board president Leon Brisson (centre) presented the award while coach Claude Maurier looks on. Presentation was made Saturday on the happy occasion of the annual senior hockey banquet.

The "Rookie of the Year" trophy went to Gerald Letourneau and was presented by Recreation Board President Leon Brisson. Happy coach Claude Maurier looks on fully aware that a star of the future is on his way.

It's heart-breaking to be number two, however, these four junior high school curlers from Sir George Simpson didn't seem to mind losing the junior high curling league trophy by only one point to the SAM rink recently. Above, left to right Lori Loshack, skip; James Vanderrough, 3rd; Ron Lastwika, 2nd and Jay Hentliuk, lead.

Vimy Pee Wees win again

By Jeanne Laplante

The Vimy peeewees of the Sturgeon Minor Hockey Association have won the league championship for the second year in a row. They were undefeated in all league and playoff games. In the last game against Legal Conrad Zadunayski scored the first goal with Legal tying the game at the beginning of the second. At the seven minute mark of the third period, Richard Provencal scored the winning goal with Peter Bokenfor assisting on both goals. The goaltending by Richard

Huot was outstanding and he managed to keep Legal off the scoreboard for the remainder of the game. The league trophy donated by J. E. Sand Ltd., Edmonton was presented after the game.

The same team also won the tournament at Winterburn by beating Devon 10-0 in the first game and Winterburn 4-2 in the second. Richard Provencal won the high scoring tournament trophy and Conrad Zadunayski most valuable player award.

The Vimy peeewees are from left to right, top row: Coach Claude Huot, Guy Blanchette, Ray Zillinski, Peter Bokenfor, Danny Blanchette, Don Despins, Richard Provencal, Manager Rick Landry. Front row - Raymond Landry, Goaler Richard Huot, Conrad Zadunayski, Louis DeChamplain.

To close off the season, the Morinville Sports Association held a peeewee tournament in the local arena on March 17 and 18. There were eight teams entered and the Morinville Raiders came up with the trophy. Brian Hermanutz of Morinville was the top scorer of the tournament with 13 goals and 3 assists and he was awarded the Most Valuable Player trophy. Wayne Schwanke of B-n Accord was awarded the Most Valuable Goaltender trophy. The Raiders (from left) back row: Richard Himschoot, Barry Shepherd, Kevin Rousseau, Gerry Krauskopf, Keith Biddiscomb, Robert Lodewijk. Front row - Jeff Mulligan, Brian Hermanutz, Wayne Van Brabant, Donald Cormier, George Gregoire. Kneeling - Ricky Manasterski with trophy.

Early Pioneer woman Rosanna Lafranchise dies in St. Albert

One of Alberta's earliest pioneer women, who was a friend of Father Lacombe, Mrs. Rosanna Lafranchise, died on March 23. She had been in Sturgeon General

Hospital following a stroke about a month ago. She was 84 years old.

Father Jacques Joly conducted the funeral services in St. Albert Roman Catholic Church on March 27, and she was buried in the church cemetery which had been opened by Father Lacombe, Bishop Grandin and Bishop Legal, all of whom she had known as friends. Her husband had printed most of the stationery requirements of Bishop Legal.

When Rosanna Lamoureux was born in the Lamoureux district in 1888, she was already a third generation member of her family living in what was to become Alberta.

Her grandfather, Joseph Lamoureux, originally from the United States, arrived at Fort Edmonton in the fall of 1860 from the Cariboo Gold Fields, by way of the Yellowhead route. After settling at Lamoureux he became Alberta's first lumberman, mill builder and farmer, referred to by Father Lacombe as the 'Great American mechanic.'

Her father Alcebiade Lamoureux had come to Alberta in 1872 to join Joseph on the homestead and later married the girl back home in the States, Lumina Polier and the couple raised their family in Lamoureux.

Rosanna was one of 10 children, living through epidemics of small pox, diptheria and typhoid fever. She recalled being educated at Saskatchewan School #2; the first tax supported school in the province and located on the Saskatchewan River at Lamoureux, which her grandfather had named Saskatchewan City.

When Col. Jarvis brought in the NWMP in 1875 they built their Fort on the opposite side of the river to protect the budding settlement from the Blackfeet and

called it Fort Saskatchewan.

In 1913 she married Joseph Lafranchise, an early Alberta newspaper publisher and printer. The couple printed the Morinville paper and in 1914 moved to St. Albert and published the St. Albert Star. In conjunction with the publishing business they operated the St. Albert Post Office for more than 40 years.

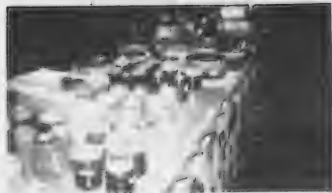

Mrs. Lafranchise vividly recalled the early history of the province, and recently was featured in a television documentary for the CBC french TV, telling of the pioneer Christmas season.

She is survived by her six children: Remi and Roger of St. Albert; Raymond and Roch of Edmonton, Mrs. William (Rolande) Gleeson of Las Vegas and Mrs. Warren (Rachel) Davidson of Victoria; also 16 grandchildren, 12 great grandchildren and three sisters - Mrs. Eugene (Antoinette Lamoureux); Mrs. Hector (Elyne) Lamoureux and Mrs. Laura Graves.

AROUND TOWN

The Paul Kane Drama Club have been busy with their second production of the year, a play for children entitled "The Lion, the Witch and the Wardrobe" based on Lewis's story. It will be presented at Paul Kane school next week, on April 13 and 14 for children, high school students and adults.

Four local curlers won the mixed bonspiel in Pen-ticton on the weekend. Skip Gerry Fisher with Pearl Quintal, Peewee Quintal and Shirley Fisher came through undefeated to capture the first event trophy. The bonspiel attracted 84 entries and the curlers report good ice, warm hospitality and fine weather. They flew out Thursday, curled their first draw Friday, won the finals Sunday and back Monday, the girls toting blenders and the men with new golf bags, plus their trophy.

The Vital Grandin School will present its third annual Flea Market, April 12 between 6 and 8:30 p.m. in the VG gym. Above are just a few of the items which will be on display for sale. Proceeds will go to the Share-A-Lent, Third World Projects, Missions in South America. Deliver unwanted items to the school at 39 Sunset Blvd. or phone 459-7418 for pickup.

Town of St. Albert

PUBLIC NOTICE

The Western Bus Lines have presented a revised Edmonton - St. Albert Schedule. Council for the Town of St. Albert has directed that the schedule be advertised and invites residents to write their complaints or comments to the Town Office, St. Albert, prior to Monday noon, April 9, 1973. Those persons making written submissions will be given an opportunity to speak at a hearing to be held Monday, April 9, 1973 at a Committee of the Whole meeting at 8:00 p.m. in the Council Chambers.

The proposed revised schedule is as follows:

No. 6 Superintendent Reviews School Year

By E. S. Gish,
Superintendent, St. Albert
Separate School District

In considering policy for educational programs, policy makers must be aware of the general goals as prescribed by the Department of Education. In addition recognition must be given to the particular needs of the district student body. In the formation of educational objectives the Board has kept abreast of provincial guidelines in formulating educational aims of a general nature. It has, as well, established goals of a more specific nature in accordance with community needs.

Broadly speaking, district programs fall into two categories: elementary and secondary. The first is of a developmental nature with major emphasis on the acquisition of basic learnings, the necessary prerequisite for higher levels of learning. Although skill building has been a main focus in grades 1 to 6, the schools have endeavored to make the program interesting and child-centered through variety in both program and instructional materials tailored to the distinctive nature of young learners. The physical, emotional, and social well-being of the elementary student is viewed by the District Board and educators as being at least equal in importance to the mental development. Attempts have therefore been made to provide personnel with specialized training for the physical education, fine arts, and counselling services for each elementary school.

The junior and senior high school programs offer greater scope and depth of program, with the student body being afforded opportunities to test their basic

learnings in a variety of school activities.

From elementary on through high school, emphasis remains on building, and maintaining skill in the 3 R's. In staffing for each school, considerable attention has been directed toward building a core of specialists - teachers with in-depth training of a special nature or in particular subjects - as well as a group of "generalists" - staff with course work of a varied nature - to provide for the varying student and program requirements. The language-arts and mathematics programs receive major attention at all grade levels. Currently attention is being directed toward a revision of both the approach and materials being used in the teaching of math. A de-emphasis of the highly sophisticated mathematical language and a reduction in the number of abstract concepts at the lower grades is suggested. The activities approach employing games and a multiplicity of materials is replacing the single textbook program.

Social Studies is continuing to receive much attention. Here too emphasis is on student activity. Audio visual equipment such as overheads, films and video tapes are receiving wide support not only in social studies but in other content areas.

Outdoor education programs are receiving increased attention from both staff and student body. A special budget allocated by the Board has added support to this very important avenue of student learning.

French is being offered from grade 4 through grade 12. The program, oral in nature, is intended to give

students a working knowledge of Canada's second language.

PROGRAMS AND SERVICES

In addition to the Opportunity Classes jointly operated by the two school districts in St. Albert, two special classes were instituted in an attempt to assist students with special needs. At Nickerson 13 primary students receive a concentrated language-arts program each morning with emphasis on the reading-writing processes. In the afternoon they are scheduled back into regular classes for participation with the larger groups in other subject areas. At Simpson a low enrolment class was instituted to provide greater individualized assistance to 20 junior high students. Approximately 55 pupils are provided with financial assistance to enrol in special programs in schools outside the district, including Winifred Stewart School, Glenrose Hospital School, L. Y. Cairns School, Evelyn Unger School, W. P. Wagner School and Victoria Composite High School.

COMMUNITY ASSISTANCE

The Parent Volunteer program has grown from a small group of parents assisting in the library to a substantial number of parents complementing teacher work in a wide variety of activities. One school alone has had a group of 40 mothers donating at least one-half day a week to the school since September. Activities are not confined to work-room or library services - many of the parents have contributed immeasurably to student learning within the classroom by listening to young students read, supervising group work, etc. Parents are able to observe first hand what is happening

Three local seniors of the St. Albert Power Skating Club were kept very busy along with their president last week while judges tested members of the club and pushed them on their way toward higher proficiency standings. Here we see Lory Moore who passed his senior test last year and served as assistant instructor during the current season. Bob Drysdale passed his senior test this year while Don Ouellette passed his intermediate test. Far right is Pat L. Lockert, president of the SAPSC. Some of these senior power skaters will probably take part in the forthcoming Figure Skating Club Carnival to be held April 13 - 14.

in schools and acquire a better understanding of recent curricular changes and teaching methods. Rapport established between parents and teachers is having a noticeable effect on student attitudes and interest.

EXTRACURRICULAR ACTIVITIES

School reports indicate a wide variety of very worthwhile activities sponsored by schools which are supplementing core programs and enriching the school life of the students. While the majority of such activities exist at the junior and senior high level the elementary pupils have not been overlooked. Staff involved in the "extra" programs deserve a great deal of credit for the extra time they have donated as well as the interest shown in students generally.

Shorthand is what your secretary uses to remind herself of what you probably said.

Three Ratepayers Attend No. 3 Annual Meeting

A teacher at Vital Grandin School, Mr. Ray Plino, was elected chairman of the St. Albert Public School annual meeting held in St. Albert High last Thursday. Along with all board members and a good representation of the teaching staff, only three ratepayers attended the meeting.

Annual reports from chairman of the board E. Howrath and school superintendent V. Maloney were accepted as circulated, Secretary-treasurer Chris McDonnell read through the 1972 financial statement which showed a deficit for the year of \$13,055.63.

Principal of Father Jan junior high asked what were the board's chances of increasing the school millrate in view of last year's deficit? Chairman Howrath hinted that the No. 3 S.D. was anticipating a millrate in 1973 of about 21 mills,

but couldn't be sure in view of pending provincial government policies.

Mr. and Mrs. Martindale, and Mr. McNeil were the only three ratepayers present. Mr. Martindale inquired about the parent religious committee which has become inactive and wanted to know if this worthwhile committee would be revived? He was informed by Trustee Gannon that although the committee is now idle, any emergency need of such a group could be met by other means. Mr. Martindale concluded by urging the school board to look into the possibility of reactivating this committee.

Mrs. Martindale asked the board why were annual meetings held when few if any ratepayers ever attended? Superintendent V. Maloney answered by reading the School Act which states that an annual meeting must

be held once every year, before the end of March.

Mr. McNeil questioned the book rental costs in the school budget. The board explained that the book rentals entry as shown in the financial report was misleading. Mr. Kaminski explained in part that the figure did not deal only with books but also with other teaching aids. Mr. Maloney added that school systems never break-even with book rental or make money by renting books. Mr. Maloney explained that book costs were generally amortized over a period of three to four years. "But when certain books are discontinued after being in use only one or two years," Mr. Maloney explained, "that's when total costs cannot be recovered and a loss appears in the financial statement."

Board members and teachers alike agreed that the term 'book rentals' should be changed to a more explicit term and avoid confusion.

Before the meeting ended,

Last Saturday was a proud and happy occasion for members and staff of the Morinville Savings and Credit Union, when they held an official opening of their new building. Mayor Art Stapleton cuts the ribbon with a flourish, while manager Maurice Perras chooses a not very publicly conscious position to watch. About 150 people were on hand for the occasion and heard greetings from Ernie Jamison, M.L.A., Vic Fowler, senior examiner of credit unions, Walter Van de Walle, reeve, President Milt Fawcett of JFM Construction, contractors, and P. J. Ryan, P.R. supervisor of the Credit Union Federation. David Bokenfohr, president of Morinville Credit Union gave the reply, and Father Primeau the blessing. Manager Maurice Perras extended an invitation to those present to participate in the firm, and Lyle Kevall of Cuna Mutual made an appropriate presentation. Introductions were by J. Andre Sabouran. Following the ceremonies visitors toured the premises and were served refreshments.

a few other questions were fielded by the three lone ratepayers including the qualification of teaching and operational days during the school calendar, information regarding the proposed new school and regulations regarding year books and student union fees.

Public School Reviews Year

By V. J. Maloney,
Superintendent of Schools

The 1972-73 school year has been marked by rapid growth with a resulting increased load being placed on our staff and facilities. We are currently housing 2,050 students in our four plants with an average enrollment per home room of approximately 30. Counting the administration, pupil personnel and teaching body we have a total of 97.5 staff.

GUIDANCE

The very active guidance program initiated in our system a number of years ago has continued to function in an efficient manner, helping students understand themselves and their world in an increasingly complex society. It is through guidance in the school that sincere efforts are made to individualize instruction and maintain a student-oriented curriculum.

OPPORTUNITY ROOMS

We currently are operating two primary opportunity rooms and serve children from three districts, St. Albert Protestant Separate School District No. 6, Sturgeon School Division No. 24, and St. Albert Public School District No. 3. The rooms are housed at Vital Grandin and Albert Lacombe schools with enrollments of 10 and 9 respectively. The senior opportunity room which provides services for the same three districts is housed at Sir George Simpson Junior High.

TRANSITIONAL CLASSES

The district is operating transitional classes at the grade two, three and junior high level. The concept of the transitional class is based on the premise that students who have had difficulty in their school work can benefit from a concentration of program in a small enrollment situation. Curriculum in these classes is geared as much as possible, to individualizing the program but the main emphasis of the curriculum is related to the reading and mathematics. We are happy to report that the students in these classes are able to function better the succeeding year and in the majority of cases have progressed normally. The rooms are located at Vital Grandin and Father Jan schools.

REMEDIAL READING

Remedial Reading pro-

grams offered at the elementary school level give students who have a serious discrepancy between their reading and mental age an opportunity to receive small group instruction. The results have been very encouraging with some students showing reading gains of over two years during the school term.

LEARNING DISABILITIES

Recent surveys in our district have shown that approximately 10 per cent of our students could be classified as having some type of learning disability. In an effort to provide services for the children with severe learning disabilities we have hired two half-time resource teachers to offer remedial instruction on an individual or small group basis. We are also negotiating a contract with the Child Development Centre to provide evaluation, consultation, remediation and inservice training in the area of learning disabilities.

PROVISIONS FOR SPECIAL EDUCATION

The excellent cooperation we have received from other agencies and school boards has enabled our district to have access to special educational programs that we could not finance. Approximately 95 students attend other educational institutions.

HIGH SCHOOL ACCREDITATION

New regulations passed by the Department of Education require all high schools to move into accreditation in 1973 or 1974. A committee is presently studying the matter in depth and a recommendation will be made to the Board very soon.

WORK EXPERIENCE PROGRAMS

The cooperation of the business community in St. Albert has enabled us to operate a viable work experience program. It has given students an opportunity to gain an understanding of the importance of developing acceptable work habits to learn about the organization of business and relationship of employee to employer.

INSTRUCTIONAL MATERIALS CENTRE

The St. Albert Public School System has in in-

structional Materials Centre at Vital Grandin School. The

Centre provides material to all the schools in the system. These materials range from films to research aids to pre-recorded video tapes. Teachers may have materials specifically designed for a particular use, or ask for catalogues of supplies from which to order materials. Our Centre is constantly adding new materials and evaluating those already on the market. A consultant travels to our schools and meets with teachers to help them with media.

Our library services are also maintained from the Centre. New catalogues, processing information and

repair services are just some of the functions of our library service centre. The trend in recent years has been towards greater individualization of programs for our students and therefore the services of our centre have added photographic services to our schools.

Chairman Schroeder predicts Balanced budget

By C. E. Schroeder,
Chairman, St. Albert Sep-
arate School Board.

The District's finances are in better shape than ever; an accumulated deficit of approximately \$106,000 was recovered from the past year's operation and the estimated revenues indicate that the next year's operation will include a balanced budget. No decision has been made as to whether the supplementary requisition will be increased by the 7 1/2% allowed under the new financing regulation. Until the present CUPE and ATA negotiations are completed, no decision can be made.

TRANSPORTATION

The Board continues to make representation to the Department of Education to relax the present rigid transportation regulations. Two briefs were sent recently (February 6 and February 12) one to the Minister of Education and the other to the School Transportation Review Committee of the Department of Education. The recommendation made was:

"It is recommended that the Department of Education

establish a flexible regulation governing school grants for pupil transportation so that the Board can adopt a more equitable busing policy based on pupil needs, which may include conveying elementary children who live a mile or more from the school they must attend and busing pupils during winter months only. While additional funds would be most welcome in order to improve school busing services, the Board does not expect further financial support under more flexible regulations, but does request the opportunity to establish its own busing priorities." A resolution requesting a review of the School Transportation Regulations was introduced by your Board at the ASTA annual convention and was carried.

SCHOOL ENROLLMENT

Particularly high enrollment increases (11.66% in September 1972 increasing to 16.42% in February 1973) in our District this year as compared to the 1971-72 year have resulted in our schools being fully utilized. With the move of the high school into the new Paul Kane the pressure on the high school will be relieved. Due to some over-crowding at the junior high level, Lorne Akins School will be occupied early in April.

ENROLLMENT -- Elementary 1670; Junior High 799; Senior High 551 making a total enrollment of 3020.

Students attending outside of the District with Board Assistance - 58 in 1971; 55 in 1972 and 55 in 1973. These include students attending L. Y. Cairns School, McKay Avenue School, W.

P. Wagner High School, Victoria Composite High School, Glenrose Hospital School, Evelyn Unger School, Winifred Stewart School, and Robin Hood School.

The pupil-teacher ratio has increased from 19.4:1 in 1971 to 21:1 in 1972 to 21.6:1 as of February, 1973. The Board has increased these ratios partly because of pressure from the Department of Education and partly from pressure from the Local Ratepayers. These ratios are being questioned by a number of individuals and groups in the town, not the least of which are our teaching staff. A reduction in the pupil teacher ratio from the Board Policy of 21:1 to 20:1 would result in an increase of seven teachers which at an average cost of \$10,000 per teacher would cost \$70,000. This would require an additional 4 - 5 mills of supplementary requisition.

While the Board of Trustees feels that a ratio of 21:1 gives us the financial flexibility to react to current problems quickly (e.g. addition of teachers because of increasing enrollment, special class in Leo Nickerson for children with reading problems) and to maintain the Special Services such as remedial classes presently operating, we are prepared to consider representation from the parents and ratepayers to move to smaller classes provided that they are also willing to support the additional costs that will be incurred.

BUILDINGS & PROPERTIES

The five older schools now in operation are being upgraded through money made

available from the Federal Local Initiatives Program. Most of the work will be done on the Lorne Akins School. The new high school was occupied on Monday, March 5, after some five years of planning and preparation. It was built at a cost of \$1,494,000 including equipment.

Sites have been purchased previously - one in the West Grandin area and one in the Lacombe Park area. District staff are preparing a Statement of Need supporting the construction of a new elementary school. The location of the site will be decided once a review of the numbers of students in each area is completed.

PURCHASE OF NEW LAND

A direct cost to ratepayers of our District is the purchase of new school sites. The cost of land for the present school sites is:

Sir Alexander Mackenzie \$20,000 (10 acres); Lorne Akins \$54,000 (20 acres); Leo Nickerson \$6,700 (6 acres); Sir George Simpson \$10,400 (12 acres); Paul Kane \$50,000 (12 acres); West Grandin \$42,500 (4 acres); Lacombe Park (estimate) \$30,000 (5 acres); thus making a total of \$213,600

for 67 acres.

On an average annual repayment basis this amounts to approximately \$17,000 or just over 1 mill. Your Board has made representation to the Town of St. Albert to either donate land from the 10% reserve, or purchase land from Town funds (because the school sites are community property as accepted in the Joint Use Agreement), to the Minister of Education to support the cost of land and to the ASTA to bring pressure on the Municipal Affairs Department. At present the Town Council informs us of new developments and require that the

developer satisfy each school district's site requirement before development agreements are made.

In closing I would like to thank the Board on behalf of Mr. Wiltshire and myself for the cooperation, dedication and enthusiasm which all Trustees have shown for education in St. Albert. I would especially like to acknowledge Mr. Penrose and his contributions and to welcome Mr. Webber to the Board.

Saturday, March 31 provided a most interesting day for basketball enthusiasts, when junior high boys teams from Sturgeon School Division and Morinville competed for the Teachers' Association and Reg Austin trophies. In the first round winners were Horseshills over Sturgeon Heights, Bon Accord over Vanier and Gibbons over Camilla. In the second round Namao, who got the bye in the first round, took out Horseshills while Bon Accord copped a win from Gibbons. In the final game Namao downed Bon Accord for the championship. In the consolation events Camilla took out Vanier and Sturgeon Heights in turn. Ross Horricks accepted the Teachers Association trophy on behalf of the champions from Namao and Randy Neilson accepted the Reg Austin trophy on behalf of the runners-up from Bon Accord. Trophies were presented by Mr. Hugh Rigney and Mr. Reg Austin. Officials were Mr. Ray Kilarek and Mr. Ernie Store. The boys are to be commended on their fine performance and the sportsmanship displayed.

Get well wishes are extended to Miss Martha Raft in Sturgeon General and Mr. Lloyd MacDonald in the Royal Alex.

Sunday, April 8 is Minor Hockey Awards Night. As is the custom, it will be pot luck, the supper to start at 5 p.m. It will be followed by the regular Sunday night bingo. Jackpot is \$25 with 10 numbers being called. This is a good opportunity for newcomers to meet a few of the neighbors.

There are prospects for an AMA Driver Training course again this year, depending on the amount of interest shown. For information, contact Bill Carleton, 298-2105 by April 13. Participants must be AMA members.

A Community Agency Fair will be held on Wednesday, April 11 from 7 to 10:30 p.m. in the School of Nursing Auditorium at the Royal Alex Hospital. Everything you always wanted to know about the community helping agencies will be available in one spot. Find out about their functions, costs and methods of referral. More than 20 agencies will be represented. Anyone interested in attending could contact Doreen Boyse or Nigel Mansfield.

A home nursing course, essential for women members of the First Aid Ambulance Brigade and optional for the men, will be offered in the near future by Doreen Boyse. Those interested in more information regarding same could contact Doreen.

Prof. H. Wohlforth, U of A extension branch will visit the Bon Accord Art Club on Thursday, April 18, to evaluate the work of the members of the Bon Accord Art Club who have recently completed the Drawing 1 course. Several members of the class travelled to Westlock over the past weekend to take in the Westlock Art

Show which was held in conjunction with the Alberta Amateur Painting Exhibition. This exhibition includes a painting by Roseanne Lewis of the Bon Accord Club.

Belated congratulations to Blaine and Betty Schick, and grandparents Mr. and Mrs. Schick and Mr. and Mrs.

Bon Accord

Stirton, on the birth of Daria Dawn, on January 19.

Congratulations to Andrew and Janet McGuire on the birth of their daughter, Christine Rita on March 31. 4 lbs. 2 ozs. Proud grandparents are Bill and Rita

McGuire and John and Marjorie Morris.

The Sport Social held on March 31 was a great success with a good crowd in attendance. Dean Lewis was voted Most Valuable Player and Tim Ramstad and Doug

Palmer tied for the Most Underrated Player award.

LADIES - while doing your spring cleaning, donations of any of the following items would be greatly appreciated for addition to the permanent camping equipment for the BA brownies and guides: tea kettles, nonelec-

tric, aluminum coffee pots, no insides necessary, oven mitts, soup ladles, large spoons, plain and slotted, egg turners, big cast iron fry pans, three and five quart saucepans with lids and dutch ovens. They may be left with Mrs. Lampkin, 298-3756 or Mrs. Dave Brennan, 298-3631.

Phone 229-3582 to learn about being a Foster Parent

2500 Alberta children are waiting for your call

Think you could share your family with a lonely youngster? Be a Foster Parent. There are some 2,500 Alberta children right now who desperately need the kind of affection and concern that only good Foster Parents can provide. Most of them are teenagers, grown almost to adulthood without the benefit of parental care. All are in need of a special kind of patience and understanding.

If you think you can help by sharing your family, please call. We offer no material rewards other than an allowance for the board, clothing, health care and tuition. There are very few things as to your age, sex or lifestyle. The main thing is that you care. If you're the kind of Foster Parent we hope you are, know that the true reward is in making a friend for life.

BE A FOSTER PARENT

Bacteria Warning - Septic tank users

By Wallace Klatt, District Agriculturist.

The following information is considered essential knowledge to our rural families. This information has been available for five years from the University of Alberta, however, I felt it should be reviewed due to the increasing number of septic tanks in the area. Quote: "Until about two years ago, Saskatchewan was relatively free of sulphate-reducing bacteria in septic tanks, and rural people did not have to deal with this problem.

Now, however, said Arnold Wig, Family Farm Improvement Branch, Saskatchewan Department of Agriculture Fieldman for the Saskatoon area, an ever-increasing number of reports are coming in which indicated that these harmful bacteria, the worst enemy of septic tanks, are becoming fairly common in Saskatchewan.

Once the sulfate-reducing bacteria are firmly established in a septic tank, they produce hydrogen sulfide gas (S₂) in large quantities and completely dominate the bacterial action in the septic tank. Septic tanks infested with the bacteria lack a surface scum and the effluent is black in color and very offensive in odor, Mr. Wig said. This black, offensive, sticky substance can clog disposal fields, mounds, cause sticking of sewage pump check valves and electrode shorting.

The rotten egg odor of hydrogen sulfide gas is usually the first indication that sulfate-reducing bacteria have invaded the septic tank. The gas will often escape through fixtures, clean-out plugs, or the roof vent. Other common early signs are frequent electrode and check valve problems.

Hydrogen sulfide gas is extremely corrosive. When hydrogen sulfide is released in large quantities inside a septic tank, an acid solution is created as the gas is dissolved in the moisture inside the tank and house pumping system. White copper vents are particularly subject to this type of corrosion, there is also a continuous eating away of all metals contacted. Even concrete septic tanks will begin to disintegrate above the water line.

The most effective means of controlling the bacteria is by adding nitrates directly into the septic tank. The addition of nitrates to the septic tank does not kill the bacteria, but makes available to the bacteria a preferred food. When these bacteria feed on the nitrates, a harmless gas is given off, as a by-product in place of hydrogen sulfide gas, said Mr. Wig.

For an average-size 500 gallon working capacity septic tank, five pounds of ammonium nitrate fertilizer (33.5-0-0) flushed into the septic tank once a week provides enough nitrates to keep the bacteria from feeding on the sulphates. This is a control measure and will be effective only as long as the treatment is continued. Past experience has shown that within two to four weeks from the beginning of treatment the rotten egg odor should have disappeared and the black sewage have been restored to a mildly odorous grey effluent. Unquote.

Spring control urged for warbles

Re-issued from the D.A.'s office.

Spring warble control is more important than ever this year because all Alberta cattle are now inspected for warbles before they are sold through a provincially supervised livestock market.

A systemic insecticide is recommended for beef and non-milking dairy cattle weighing over 300 pounds that have warbles, providing that the animals are not sick or under any other type of stress. Even if an animal has only one or two warbles, it may be worth treating it with a systemic rather than having to catch it again when the grubs have reached the stage where they have punctured the skin. They have to have punctured the skin before they can be squeezed out with the fingers or before the contact insecticide rotenone will have any effect. Systemic, apart from Co-Ral, which can be used at any time of the year, can be safely used for spring warble treatment in Alberta after March 1.

Milking dairy cows cannot be treated with a systemic, but they can be treated with the contact insecticide, rotenone.

Following is a list of recommended systemics and an outline of restrictions on their use.

- 1) Ruclene 12R; applied as a pour-on.
- 2) Ruclene 25E; applied as a pour-on or spray, after mixing with water according to directions.

Ruclene 12R and 25E should not be used if cattle are to be slaughtered within seven days or milk cows freshening within three days.

3) Neguvon; used as a pour-on.

Neguvon should not be used on cattle to be slaughtered within 21 days or on milk cows freshening within seven days. Treatment during December, January and February should only be done under supervision of a veterinarian.

4) Co-Ral; used as a spray, mixed with water as directed.

Co-Ral should not be used on cattle to be slaughtered within seven days or milk cows freshening within 14 days. (Co-Ral may be used throughout the entire calendar year.)

Any warble control program that is going to be effective must be carried out in two phases. The first is to treat the animals in the fall. The second is to inspect them the following spring and to destroy any warbles that may be found. Even with thorough treatment in the fall, some larvae can easily be missed.

Sheep

W. O. Klatt, District Agriculturist.

A meeting for sheep producers will be held on April 11 at 7:30 p.m. in the Youth Building - Sportex. The proposed Sheep and Lamb Specialty Plant for Alberta will be discussed.

Two of the most popular names given West German babies are French, not German. A survey revealed that more boys born in 1970 were christened Andreas and more girls Nicole than any other names.

Why Not Try Lamb?

By Pat Prymak, District Home Economist.

Few families have ever eaten lamb, and fewer yet have it on a regular basis. Some say it has a disagreeable fatty flavor. But, that is probably because it wasn't cooked correctly.

True, if you pan-fry lamb chops you may find a flavor you don't really like. That's because the meat sat in its own fat as it cooked. Try broiling it and notice the difference!

Broiled lamb chops are simple to do and very tasty. Slash the edges of fat in several places to prevent curling. Place the broiler rack so the surface of the meat is 3" to 6" from the heat. Turn only once during cooking, and use tongs or some other method to prevent puncturing the meat as that causes loss of juices. You will likely need to broil each side of the chops six to seven minutes if the meat is one inch thick. Serve very hot, and keep the serving plate hot while the second servings are standing by.

What could be better than a roast leg of lamb? Again, be sure the roast is not sitting in fat as it cooks. Use a rack in your roaster or the broiler pan on about the middle rack of your oven. Heat the oven to about 325 and roast uncovered without adding water, allowing about 25 to 30 minutes per pound. This helps seal the outer layer of meat, ensuring that the juices remain in the meat rather than on the bottom of the roaster. Season with salt and pepper about half way through the cooking. Try rubbing a little rosemary or sweet basil into the top surface before cooking for a different flavor.

What goes with lamb? Potatoes, either white or sweet, and peas, carrots, asparagus, beans, broccoli, or mushrooms are all excellent vegetable choices. Mint jelly or red currant jelly make a nice accompaniment.

Lamb stew is a delicious cold day dish. Trim excess fat from the stew meat before browning it in a skillet. Add water, canned tomatoes, or bouillon, as well as spices and simmer an hour until the meat is tender. Spices that go well with lamb are thyme, celery salt, basil and rosemary, as well as salt and pepper to taste. For the last 30 minutes of cooking time, add vegetables -- potatoes, onions, carrots and peas. Skimming excess fat is necessary. Add thickening to the gravy as desired. Serve very hot!

There are a number of lamb recipes available free of charge from this office.

farmers applaud management course

By Wallace Klatt, District Agriculturist

On January 15, 1973, 21 farmers from the Sturgeon District dropped their "milk pails," grabbed their books and became students.

The school was the Canada Manpower Farm Management course held at Morinville and Fort Saskatchewan, sponsored by Canada Manpower and the Alberta Department of Agriculture.

The purpose of this school was to acquaint the students with the basics of farm management. This included soil management, livestock management, and rationing, accounting principles and application, cereals, rapeseed, weeds, trees and landscaping, taxation, farm building construction, marketing, etc.

The students "went at it" for eight weeks, five days a week. Their participation was keen and enthusiastic. At times much humor was present, which all adds to a good course. As one student remarked "We don't talk the same language anymore."

The instructors at both courses, namely Mr. Eric Jarvis and Mr. Bill Devereux, were instrumental in the conduction of a good course.

The extension staff at Morinville (Department of Agriculture) did a fine job in co-ordinating and providing the back-up that all successful courses require.

Many students expressed a standing need for this type of a course. It is anticipated that more courses will follow and a course for the 1973-74 year is now being planned.

The following students graduated from the first farm management course held in our district. They worked hard for eight weeks and certainly earned their diplomas.

Mr. George Arcand, Morinville; Mr. Sandy Arlow, RR 1 Busby; Mr. William Barry, Legal; Mr. Wes Carleton, B'n Accord; Mr. Rudolph Christen, Calahoo; Mr. Roy Como, RR 1 Morinville; Mr. Rayde Champlain, Viny Mr. Walter Frank, RR 1 St. Albert; Mr. Robert Jobe, 46 Grandin Rd., St. Albert; Mr. Fred Kaup, Riviere Qui Barre; Mr. John Kluthe, RR 2 Morinville; Mr. Stan Kowalski, B'n Accord; Mr. Albert

Lesburg, RR 1 St. Albert; Mr. Robert Mercier, Legal; Mr. Armer Middleton, RR 1 Morinville; Mrs. Elfrida Rosenthal, B'n 4155, South Edmonton; Mr. Larry Rousseau, Morinville; Mr. Carl Tappan, RR 1 St. Albert; Mr. Emil Turgeon, Morinville; Mr. Bernard Blom, Coronado and Mr. Bill Carleton, B'n Accord attended the Fort Saskatchewan course.

Farmers and farm families are respectfully reminded that there is a wealth of information readily available from your district home economist and district agriculturist in the form of first hand knowledge, courses and publications.

Carcass cutout

A one-day meeting will be held at the Youth Pavilion of the Sportex Building, on Friday, April 13, from 9:30 a.m. to 3:30 p.m. on carcass cut-out, progeny testing and R.O.P. This will be an Alberta Department of Agriculture meeting in co-operation with K. R. Ranches of Leduc.

If you're interested in beef breeding, carcass cut-out evaluation, your opportunity to judge carcass quality, beef R.O.P., and progeny testing, then remember this date. It's open to everybody. Contact the D.A. at 256-3351 if you want more information.

Chemical

The Agricultural Service Board of the Municipal District of Sturgeon will have a chemical program again this year.

All wild out and weed chemicals will be available under this program.

The program will operate the same as last year's program, with municipal participation at 25 per cent of \$500 worth of chemical.

All ratepayers participating in the program will have to verify their acreage by presenting their 1973 permit book, or signing a form verifying their acreage which will be checked against their 1973 permit book.

Some chemicals could be in short supply

Publications

The following are available from this office. Include the ones you require by a check mark and mail the clipping to the Department of Agriculture, Box 510 Morinville, TOG 1PO (Don't forget to give us your name and address).

- ... Check Your Food Costs
- ... Bird Showers (on loan only)
- ... Varieties of Cereals and Oilseeds for Alberta 1973
- ... Private Sewage Disposal
- ... Fertilizer Recommendations.

MORINVILLE MEMOS

By Flo McGinnis

The Morinville Lions Club has announced that the plans are underway for their 24th annual charter night to be held Saturday, May 12. The banquet and dance will be held in the Morinville Centre with special guest speakers and entertainment. Further details will be announced later.

Don't forget the Sportsman's supper at 6 p.m. on Saturday, April 7. The action gets underway at the Morinville Centre with supper from 6 - 8 p.m. to be followed by dancing to the music of The Stylmasters. Sponsored by the Morinville Curling and Sports Association, all proceeds will go toward the fund for artificial ice. Tickets are available from members of the sports association and the curling association.

We received a note from the Faltier snowmobilers and crew asking us to pass along their thanks "for the wonderful reception which ended our fund raising rally to Morinville on March 10 and 11. Thank you for the use of the hall, and a special thanks to all those who were exceptionally co-operative and hospitable."

There will again be a

pedal pushers club formed in Morinville as mentioned previously, but from the looks of the riders that we see every day on the streets perhaps all those boys and girls who took the course last year have forgotten everything they learned. There were 106 children who took the course last year and we see every day, the rules being broken!! It is NOT ALLOWED to ride on the sidewalks in Morinville; neither is it allowed to ride down the middle of the street. IT IS THE LAW that bicycle riders must use signals when making a turn! Now that the weather is so nice many people are out for walks, or doing errands downtown. If bicycles come helter skelter down the sidewalk how do you suppose that a pedestrian can get out of the way? Also, remember that if signals are used the car behind will have some idea of which way the cyclist is intending to go. It is up to parents to see that, when they allow the children to go out on their bikes, the children OBEY THE RULES OF THE ROAD.

The next meeting of the United Church Ladies' Aid will be held at the home of Mrs. S. Pifko on April 11, commencing at 8 p.m. sharp.

All new ladies are welcome and for further information you may call Jean Robinson at 256-3153.

April is the month for the Cancer Crusade and it won't be too long till there will be canvassers knocking on your door. When they do come please welcome them and give something - no matter how small. In Morinville the Cancer Crusade is carried out by the United Church Ladies and the Christian Ladies working in co-operation. It is an extremely worthwhile cause so please donate.

The Rendezvous Club will be holding a Whist Drive and Bingo on Friday, April 13. This pre-Easter get-together has been especially planned for an evening of good entertainment and enjoyment. The bingo will be played with cards as before, and it was so thoroughly enjoyed by everyone that the senior citizens thought they would continue the practice. Everyone is welcome and there will be a door prize, as well as prizes for men's and ladies' cards. Drop in at the Hut at 8 p.m. on Friday the 13th and see what a good time you'll have. Senior Citizens celebrating birthdays this week are: Albert Sabourin on April 5 and Liboire Caouette on April 9.

The Lions' Club rifle range will be opening up again with competitive shooting beginning on April 12. This is open to all boys and girls who have received their certificate from the Junior Firearms Training program. The competitive shooting will be held every Thursday at 7 p.m. till mid-June.

In the fall there will be another training program run for those who have not taken it yet. If any adults are interested in the rifle range it is possible to have an "adults night," so anyone that is 16 or over and interested - please call Doug Ramer at 256-3565.

Catherine Steffes reports that their trip to Texas was wonderful, and they even got as far as Mexico. In Dallas they visited with Elaine Kryskow, but missed seeing Dave as he was away with the Black Hawks of course. Catherine said they stuck their big toe in the Gulf and it was grand!

Congratulations to Ruby and Jim Bokenfor on the birth of a baby girl March 3. Little Tammie Lynn was baptised on Sunday, March 25th at St. Jean Baptiste church, with Susan and Donald Bokenfor as godparents Leonard and Tillie Meyer are so very proud of their new grand-daughter.

Visitors from Domremy, Saskatchewan last weekend were Mr. and Mrs. Marcel

Sunday, March 18 saw the Morinville arena bustling with activity as the Sports Association sponsored the bantam tournament to end the season. Four teams were entered: Bon Accord, Gibbons, Morinville and Westmount. The Morinville Bantams won the tournament by beating Westmount 4 - 3 after 14 minutes of overtime. Albert Folsiey, the leading scorer of the tournament came up with the tiebreaker. Coach Bruce Parneau naturally was very pleased with the boys' performance, but agreed that all the teams put up a good show. Back row, from left Rick Forman, Don Buvier, Ken Biddiscomb, Albert Folsiey (helmet), Salm Butt, Ron Manasterski, Roy Short, Darrel Bokenfor. Front row - Rene Bland, Rosh Schafers, Danny Craig, Frank Schafers, Ivan Remillard, Gene Schafers.

Frontier Daze shaping up

By Flo McGinnis

Very shortly now the residents of Morinville will be receiving a small pamphlet delivered to their door with information about the upcoming Frontier Daze celebrations to be held June 23 and 24.

This is the annual celebration for Morinville, and the Frontier Daze executive are busy planning an even bigger and better two days than in the previous years. The association meets every second and fourth Tuesday of the month, and right about now things are getting into

high gear.

As in the past, there will be some of the 'basics' such as a demolition derby. If per chance you have never seen the demolition derby at the Morinville Frontier Daze, then you are really missing out on some action. Last year they had so many cars in the ring that some of the drivers found it difficult to know where to start. Rumour has it that some of the local 'Top Drivers' are already planning their strategy.

For 1973 the parade will be another 'big one,' as there

are many bands (some pretty big names too) already entered, and a few floats signed up this early too! The pancake breakfast that is served on the main street will go on as usual, getting everything off to a roaring start.

There will be a dunk tank this year which should prove to be a pretty wild 'spectator sport,' to say nothing of being able to let off steam.

Along with a full outlay of midway attractions, baseball tournament, arts and crafts display, international foods, chicken supper, barbecue etc., etc., and etc., there will be some very new and exciting activities which will add even more to the two-day FRONTIER DAZE.

MORINVILLE

CUBS AND SCOUTS

The cubs and scouts will be holding a BOTTLE DRIVE and PEANUT SALE on April 10th beginning at 7 p.m. So please receive the boys with encouragement and assistance. If you have some bottles to donate but are going to be out you may leave the bottles on your step and the light on.

BEAVER

COME IN AND MEET OUR NEW MANAGER!!

ED NATTRASS

Born in Killam, Alberta, Ed took his elementary and junior high schooling at Strome, and high school at Dayland while living on the farm north of Strome.

In 1967 Ed started his career with Beaver Lumber Company in Killam and then in 1968 moved to Forestburg as Assistant Manager. In 1970 he was transferred to Camrose as Assistant Manager in their branch office and was there till his move to Morinville in January of this year.

With his wife Phyllis, Ed is settling nicely to the Morinville routine and is actively engaged in the organization of Fastball and Baseball for 1973. Ed is now a member of the Morinville Lions Club, and the Minor Baseball League.

Five happy candidates split \$2,000 in front of the big action board at the Legal dinner plate. Listed are 230 ticket holders, whose names were stroked through as the master of ceremonies pulled them from a drum. From left, Ernest Pelletier, Bill Stapleton, Henry Montpetit, Leon Brisson and Roland Prefontaine, filling in for Laurent Chagnon.

LEGAL LOCALS

Get well wishes are extended to Mrs. Lucia Montpetit who is a patient in the Sturgeon General Hospital.

The guides and brownies will be having a tea, bazaar and bake sale on April 21 starting at 10 a.m. to 5 p.m. at the Recreation Centre. This is sponsored by the girls, they have been very

busy making crafts to sell at their bazaar. Anyone wishing to give anything for this bazaar could bring it at Lucille Dube, Annette Bruce, Elsie Royan or to any of the girls.

Mr. and Mrs. John Pedgrachny took a week off their busy farming duties and flew to Halifax to visit with their daughter Mr. and Mrs. Gary

Thomlinson and grandchildren. Gary is in the air force and is stationed at Greenwood Kings County. Then they travelled by car to Prince Edward Island. They enjoyed the sights but were happy to come back home.

Gary Belle and Louise Landry were guests of honor at a social evening held in the Community Hall last Saturday. The couple will exchange marriage vows on April 14.

The Catholic Ukrainian Ladies will have a bake sale at the Co-op on April 7 from 10 - 4 p.m. Come and buy some homemade goodies for Easter.

Mayor Leon St. Martin and Mrs. St. Martin returned last week after spending four months holidaying in Mexico and California. They spent Christmas in Hemet, California with Mrs. St. Martin's relatives, then they spent a month in Mexico with Mr. and Mrs. Fred Henry before returning to Hemet. They also spent a week with their daughter Mr. and Mrs. Roy Wheeler and family who are now making their home at Nanaimo. Mr. and Mrs. St. Martin are happy to be back to our "Alberta sunshine."

Mr. and Mrs. Gaston Parent are receiving congratulations upon the arrival of their first child Joanne Alice

"It's lovely," said the girl looking at her friend's new engagement ring. "And isn't it nice to know that you aren't marrying a spend-thrift?"

PUBLIC UTILITIES BOARD NOTICE

IN THE MATTER OF "The Municipal Government Act"; and

IN THE MATTER OF "The Gas Utilities Act";

and IN THE MATTER OF an application to the Public Utilities Board by the Village of Legal for the approval of a contract with Northwestern Utilities Limited, being a person undertaking to provide the residents of the municipality with a supply of natural gas which contract also proposes to confer upon Northwestern Utilities Limited a special franchise in respect of the subject matter of the contract and which contract is a renewal for 10 years of Northwestern Utilities Limited present contract for supply:

NOTICE IS HEREBY GIVEN that the application will be heard by the Public Utilities Board at the Board's offices, 915 Devonian Building, 11160 Jasper Avenue, in the City of Edmonton, in the Province of Alberta, on Thursday, the 26th day of April, 1973, commencing at the hour of 10:00 o'clock in the forenoon, at which time and place the Board will hear all interested parties who desire to make representation respecting such application:

AND FURTHER TAKE NOTICE that copies of the application and supporting material which the Applicant and Northwestern Utilities Limited intend to submit to the Board at the hearing may be obtained by an interested party by addressing a request to:

Mr. D. M. Murray,
Manager, Sales and Industrial Development,
Northwestern Utilities Limited,
10640 - 104th Street, Edmonton, Alberta.

AND FURTHER TAKE NOTICE that any interested party shall on or before the 20th day of April, 1973, file with the Public Utilities Board, whose address is:

900 Devonian Building,
11160 Jasper Avenue, Edmonton, Alberta.

three copies of any submission which such party proposes to submit to the Board at the hearing, and also within the same time shall either personally serve or have served by ordinary mail, a copy of such submission on the Applicant in care of:

Agnes Montpetit, Secretary-Treasurer,
The Village of Legal, Legal, Alberta.

and on Northwestern Utilities Limited, in care of D. M. Murray, at the address as above set forth. DATED AT THE CITY OF EDMONTON, in the Province of Alberta, this 30th day of March, 1973.

PUBLIC UTILITIES BOARD,
(SIGNED) W. D. ABERCROMBIE,
MEMBER

Legal News

born on March 22 weighing 8 lbs. 1 oz.

Mr. and Mrs. Pat Newell are happy to be moved in their new home.

Mr. and Mrs. Georges Gagne from McLean have been visiting with Mr. and Mrs. Adelard de Champlain

Gerald St. Jean has star-

ted on the construction of a mechanic service shop, (also for heavy duty machinery) and a coin car wash. Gerald says he is hoping to open his doors for business in early May. His shop and car wash is located south of Legal Motors.

Pete Montpetit is convalescing after suffering from a fractured arm, ribs and multiple bruises following an accident at work.

Legal Brownies and leaders gather for a picture during weekend winter camp.

Brownies enjoy Winter camp

Eighteen brownies from the 2nd Legal Brownie Pack and Deanna Bruce, a visiting brownie from the 125th Edmonton Pack enjoyed a weekend winter camp. Accompanying the girls were Brown Owl, Annette Bruce, Wise Owl, Jeanne Maurier,

Happy Owl, Marie Gregoire, Smokey - Evelyn Fraser, Possible Owl - Cecile de Champlain.

The girls arrived at camp Friday after supper, accommodation was supplied by the Legal Recreation Board. The weekend consisted of

short days, long nights, outings, crafts, treasure hunt and hikes. The girls organized puppet shows, impromptu skits for Jesters badges, singing by the campfire, and oh yes, a water fight with Brown Owl.

Eva Theberge was chief cook (besides getting everyone out of bed). Lorraine Kremer was the nurse.

The Weekend of working, living and sharing, came to an end on Sunday at 4 o'clock to the fading tune of - I want

to linger, a little longer... Our camping days and friendship true.

Many thanks to Evelyn Fraser, camp advisor from Gibbons, the mothers and all others for their help and donations, which helped to make the weekend a success.

We're ready to do it again! If any other packs are interested in group camping would the leaders please contact Mrs. Jeanne Maurier - 598-2515.

Mrs. Rose Williams Marks 84th

Mrs. Rose Williams with grandson, Gordon Hittinger.

By Flo McGinnis

On the 10th of March the Morinville Legion Hall was crowded with friends and relatives who gathered to celebrate the 84th birthday of Mrs. Rose Williams.

At the head table, accompanying Mrs. Williams were Sr. Mary Joseph (a niece), Mr. and Mrs. Jim Cust (a brother) all from Edmonton, as well as Mrs. Diane Schaffers, Mrs. Lucy Brennies, Mrs. Laura Kieser, Mrs. Carl Kieser, Miss Theresa Kieser, Mrs. Alice St. Germaine and Mrs. Bertha Krauskopf.

There was a total of 75 people for the supper, which was followed by a concert program. Mr. Gordon Hittinger, the eldest grandson was master of ceremonies for the evening, introducing

first of all, Sandra Boddez who sang the special happy birthday and then some of the other favorites. David, Sheila and Ilene Hittinger presented several vocal selections. Jeanette Lutz performed a tap dance routine while being accompanied by her brother Richard on the accordion. Grandpa Hittinger and his granddaughter Marylynn presented a violin duet, and Marielle Krauskopf sang a few songs for the occasion. Piano stylings were performed by Doris Charest who also was in three skits with her partner being Arleone Granger. The very full and enjoyable evening was concluded with several dance tunes, and for Mrs. Williams it was indeed a "Birthday to Remember."

Alcomdale 4H

By Mary Mensink

The Alcomdale Clothing Club held their seventh business meeting on March 1st at the home of Mrs. Spargo. Sandra Spargo led the members in saying the pledge. Roll call (Ideas for Achievement Day) was taken.

At the public speaking night held March 16, speakers were divided into six juniors and five seniors. The winner in the junior division was Marilyn Mitchell with Margaret Mensink placing

second. In the senior division, the winner was Kathy Kyle with Elizabeth Stitsen coming in second. A special meeting to make plans for achievement day was held March 26 at the home of Mrs. C. Stitsen. Members discussed different themes for achievement day to be held on April 25. The theme decided upon is "Sunset on the Beach." The club made up the program and voted for Miss Congeniality by secret ballot. Lunch followed.

Morinville wins wrestling medals

By Flo McGilnais

Seventeen members of the Georges P. Vanier High School wrestling team entered the Zone Meet at Redwater and placed third out of eight teams. Three of

the Morinville boys were placed on the Zone Provincial Squad.

When the provincials were held in Edmonton March 2 and 3, the Morinville boys placed as follows:

Norman St. Laurent 92 lbs., 2nd; Norman Borle 105 1/2 lbs., 5th; Donald Krauskopf 191 lbs., 3rd.

In the junior high and elementary wrestling, G. P. Vanier with Camilla, entered a total of 130 boys in the Bantam Northern Alberta finals. Ten boys from Camilla and eight from Morinville advanced to the Provincial Finals which were held March 24.

As a club, the Morinville - Camilla group placed 2nd overall with a total of 64 points. Bonneyville plac-

ed 1st with total points of 92.

In the provincial, the Morinville boys were: Richard Carlgan, Laurier Kremer, Troy Davies, Wayne Van Brabant, Laurier Nobert, Ronald Cust, Denis Boissonnault, and Donald Krauskopf. From these eight, Morinville had four provincial medalists: Richard Carlgan 48 lbs. Novice - Gold Medal; Laurier Kremer 54

lbs. Novice - Silver Medal; Donald Krauskopf 191 lbs. Open - Silver Medal; Denis Boissonnault 191 lbs. Novice Gold Medal.

This was the first year for wrestling in Morinville. It is part of the curriculum for junior and senior high with Gary Smith the phys. ed. instructor doing all the coaching. The elementary boys took their training after school with Gary Smith and Remi Maisonneuve doing the coaching. For first year, the boys are to be commended for their fine showing!

Laurier Kremer in action, headed for a silver medal in provincial wrestling.

Richard Carlgan of Morinville, youngest wrestler on the team was a gold medalist in provincial competition last year.

Library plans open house

Preparations are getting into high gear at the Library for the "Open House" to be held on April 14. We do hope that there will be many visitors in the course of the afternoon. All residents of Morinville and District are welcome. Some special guests have been invited, including our mayor and members of town council. Then our other "Bosses" Mr. E. T. Wilshire, supervisor of public libraries and Mr. J. Forsyth, development officer for libraries, from the Department of Culture, Youth and Recreation. Invitations have also been sent to the librarians of other libraries in the district, both school and town. We hope that they will be able to attend and give us their valuable advice.

Miss Leduc is working feverishly to get all our new books processed and on the shelves in time for the 14th. It is hoped that we will be placing some posters in the stores next week. They will be the work of the Grade V students, so regard them with respect.

Sturgeon Arts & Crafts

Bon Accord Community Centre has been the focal point of a wide variety of activities this winter. Under the direction of local instructors, residents of the community have participated in cake decorating, copper tooling, modern jazz, physical culture, soft leather work and weaving. Classes were held on Wednesday evenings, some at staggered hours and for many it meant the opportunity to participate in more than one course. Learning new skills and improving old ones is just one of the benefits of attending classes such as these. Visiting friends and making the acquaintance of new residents in the area have made these Wednesday

evenings pleasant and enjoyable for all those who participated in the classes.

A special guest of the physical culture and modern jazz class was Mrs. Wanda Pietrzak from the Westmount Health Food Store. Mrs. Pietrzak talked about the various natural foods that are available, their nutritional value and she also brought along samples for the ladies to taste. Besides a well balanced diet the importance of exercise, and plenty of rest was stressed.

Instructors for the courses held in Bon Accord were Mrs. Thelma Everitt, cake decorating; Mrs. Olga Fer-

bey, soft leather; Mrs. Edith Kowalski, weaving; Mrs. Rita Milligan, physical culture; Mrs. Marion Nicholson, modern jazz and Mrs. Alice Strawson, copper tooling.

The community will be able to see a sample of the work produced at these classes on April 29. In conjunction with the painting class a display of arts and crafts will be held.

There are still openings in the pottery class at Gibbons. Skills in hand building are taught by Mr. Allan Holmes of Edmonton and it is hoped that if popularity grows, pottery will be offered on a continuing basis.

Namoo community league has completed arrangements to have a dancing school in their newly renovated community centre in the fall. A combination of jazz, tap and highland will be taught.

If there are any announcements concerning arts and crafts that you would like included in this column please telephone the recreation office.

T. Ruth McCullough and Mrs. Jean Smith, arts and crafts co-ordinators, recreation dept., MD of Sturgeon. Telephones 256-3321 and 424-6276.

Instruction in weaving with Salish looms, Inkle looms and cards was taught by Mrs. Edith Kowalski of Bon Accord.

Legal News

By Lucienne Montpetit

The Legal Economic Development Board have presently under study plans for an alfalfa dehydration plant. There are many things to be found out about such a plant, therefore the Board have appointed a committee to do some research. The committee will be visiting the Smoky Lake and Paddle River plants in the very near future, and will endeavor to gather information as to how these plants were formed and put into operation.

Mr. and Mrs. Archille Borgevin have purchased a house from Arthur Pelletier and are now residing in the village.

Vimy News

By Jeanne Laplante

Miss Bonnie Oko and Mr. Leo Seguin were feted at the community centre pending their wedding April 7.

Complete recovery wishes are extended to Marcel Bernard who underwent surgery at the Immaculata.

Visiting at the Laplante residence over the weekend were Mr. and Mrs. Tony Mayowski and son Peter from Nampa.

Mrs. Lucille Binguette is presently the art instructor for Hobby Products. She will gladly attend parties in the homes where demonstrations will be made although a party is not necessary to buy materials.

The first five lessons of the courses are free of charge. Anyone interested is asked to call Lucille at 598-2242.

The Development and Peace program was planned by Grade 8 social studies class and their teacher Mr. Gerard Rouleau. The theme was 'Development and Peace at home and abroad.' A pot luck supper at 6 o'clock opened the program after which the film 'Up against the system' was presented which showed some of the problems of poverty and the welfare department. Discussion groups were formed and the idea brought forth was that the main problem abroad was physical poverty but mental poverty of the

homes presented the problem of the century.

To conclude the evening, a half hour of dancing brought the adults and younger generation together to share the joys of living. Special thanks to Mr. Rouleau and his class for initiating the community to

such a worthwhile endeavor towards Development and Peace.

Mr. and Mrs. Jos Bilodeau are pleased to announce the arrival of a grandson. Proud parents Yvon and Penny Bilodeau now residing in Dallas, Texas.

Gibbons Notes

By S.A.M.

Mr. and Mrs. Bob Whaling are pleased to announce the birth of their second son, James Ernest on March 19, 1973 weight 8 lbs. 2 ozs. Brother for Geoffrey.

Get well wishes to Bill O'Rourke and Jack Williams both at the University Hospital in Edmonton.

A baptismal service will be held on Palm Sunday, April 15 at the Gibbons United Church. Service at 7:30 p.m. There will also be a baptismal service at the Coronado United Church on Easter Sunday. For more information please phone - Rev. Frank Lough at 1-735-3411 (Redwater).

Get well wishes to Mrs. Cec Moore in Royal Alexandra Hospital in Edmonton.

The Gibbons ladies hockey team lost their last two games 3 - 1 and 4 - 3 against Namao Jr. Ranks,

giving Namao two games to one out of the best of five.

There will be a hockey wind-up banquet at the end of April. If you can lend a hand please phone Mrs. K. Mabbitt at 799-3886 or Mrs. E. Pelletier at 799-5919 or Mrs. L. Serink at 799-5893.

The ceramic classes at the community hall on Tuesdays begin at 7 p.m. not 8 as stated last week.

The physical culture classes will be held Thursdays at the school gym at 8 p.m. instead of at the hall.

There will be child care classes for girls and boys over the age of 12 beginning April 3 to April 19 every Tuesday and Thursday from 4 - 6 p.m. Instructor is Mrs. David Neale - 799-5697.

Most spiders produce about a hundred eggs at a time but some lay from one to as many as a thousand, National Geographic says.

NAMAO NEWS

By Norma Crozier

The annual meeting of the Namao School and Community League was held March 29 at Namao School. Annual reports were heard from executive members and committee chairman. Interim reports were given on the two major community projects. Upgrading of the Community Hall is nearing completion. Plumbing has been installed and in addition, a kitchenette and lounge area have been built into the hall.

Furnishing of the lounge will be undertaken by the 60 Club. The addition to the school has been enclosed and work is continuing on the interior. The meeting passed an extra ordinary resolution allowing the league to borrow money as needed to complete the addition.

New constitution for the community league was adopted at the meeting. Under the

terms of the new constitution the community league year will run from March 31 - March 31. Because of this change, current memberships will run from January 1973 to March 31, 1974.

A slate of officers for 1973-74 was as follows: President, Clayton Crozier; vice president, Dan Speers; secretary, Kathy Gough; treasurer, Doreen Pearce; directors at large - Laura Potter, Glen Gabbey, Dave Gwilliam, Lloyd Hodgins, Reg Crozier and Tom Powell.

The Namao Local of Uniform will meet at the home of Clifford Crozier on April 12 at 8:30 p.m.

In Greenland, vast streams of ice, or glaciers, flow continually toward the sea at speeds of one inch to 100 feet per day the National Geographic Society says.

If you're in the market for a car loan, we'll throw in \$25 toward the plates.

That's right. We'll give you \$25 toward your licence plates when you take out a Termplan Personal Loan on a car at the Royal Bank. As long as you take out a loan for \$1,000 or more of new money and we approve your application by June 29th, you qualify for the \$25. You also qualify if you take out a Termplan Loan for at least \$1,000, for any other reason. Like a vacation, a boat or a travel trailer. If your application is approved by June 29th, we'll give you \$25. In cash. There are no strings, no catches and no change in interest rates. We know that there are many people in the market for money this spring, and we want to increase our share of the business. So you don't have to be a Royal Bank customer to take advantage of this offer. See your Royal Bank Manager. He'll even arrange for a chequing account to take care of the loan repayments. And ask him about our Money Matters book. It's full of hints on budgeting and financing for a family. It's yours free when you come to the Royal Bank.

Do something nice for yourself...

ALBERTA JUNIOR CITIZENS OF THE YEAR

1961-1973

12th Year

IS THERE AN OUTSTANDING YOUNG ALBERTAN YOU'RE PROUD TO KNOW? SHARE YOUR PRIDE!

There are a lot of young people in our province who deserve recognition. They are the ones who have shown exceptional courage, initiative, unselfishness or social responsibility.

IT'S UP TO YOU... to make sure Alberta hears about them.

ANY CITIZEN OF ALBERTA can nominate a youngster - or a group - 6 to 18 years of age, for an Alberta Junior Citizens of the Year Award.

The boy, girl or group whose name you send in can qualify for this honour and the Canada Savings Bond that goes with it.

Please complete and mail the coupon below... NOW!

SEND COUPON TO THE EDITOR OF THIS NEWS PAPER or call him

This is Morinville's new Grandin Avenue extending southwards. It will become a busy byway soon as it becomes passable because behind that row of trees is where most of the new developments will be taking place. Surveyors are already on the site, staking out future streets and avenues while blocks are being subdivided into lots.

Namao News

By Norma Crozier

An Easter Tea will be held in the Namao Community Hall on Saturday, April 14th from 2 - 3:30 p.m. It will be sponsored by the Explorers, CGIT, Namao Sunday School and UCW groups and will feature a fish pond, Easter basket sale, candy sale, and home baking sale. Proceeds will go to a Mission Project in India taken from the Live Love Book. Any donations for the home baking table will be appreciated.

Get well wishes to Mrs.

Philip Gibson who is a patient in Royal Alexandra Hospital.

Mrs. Ada Potter is also a patient in Royal Alexandra Hospital and we hope she will soon be feeling well and strong again.

Glad to report that Rodney Otto was not seriously injured in an accident on Highway 28A on Saturday when a bus pulled out in front of him without stopping. Rodney rolled his car when he swerved to miss it and luckily only suffered a knee injury.

Welcome back to Namao to Mr. and Mrs. Edward Yeske who have sold their home in Vancouver and returned to their farm home.

Namao UCW spring luncheon meeting will be held at the home of Mrs. Hugh Crozier on Wednesday, April 11. A drive for good used clothing for the Economy Shops is being made, articles may be brought to this meeting. Please leave coats, dresses, suits, etc. on hangers in-

Bon Accord plans Arts & craft show

By Sadie Allen

The annual Bon Accord arts and crafts show will be held in the community centre on Sunday, April 29 from 1 to 5 p.m.

All residents of the district are invited to co-operate by displaying their craft articles, thus ensuring an interesting and informative afternoon for the public.

CRAFTS

HOBBY CRAFTS, 1972 - carried out under the Sturgeon Recreation program - will include decoupage, foil-craft, fur fun and Christmas decorations. Conveners Marilyn Carleton and Mabel Veran (Instructors).

HOBBY CRAFTS, 1973 - also carried out under the Sturgeon Recreation program - will include leathercraft, copper tooling, weaving and cake decorating. Conveners - Olga Ferbey, Alice Strawson, Edith May Kowalski and Thelma Everitt (Instructors).

HEIRLOOM CORNER -- This display will include crafts that were at one time very popular, examples - tatting, crochet, embroidery cut work, quilts, cushions etc. Articles need not be Canadian in origin and need not necessarily be the work of the owner. Conveners - Ethel Samis and Doris Carleton.

PRIVATE ENTRIES -- This display will consist of articles recently made by people of the district who

work on their own rather than with a group. Petit point, tapestry, metal work, wall hangings and driftwood are examples. Bazaar articles, especially any made from used containers (bleach bottles etc.) will also be accepted. Conveners - Ethel Samis and Doris Carleton.

CHILDREN'S CORNER - This display will include girl guide, brownie and cub projects as well as individual entries. All school age children may enter. Conveners Ruby Lampkin and Doreen Brennan.

Please contact the conveners for further information.

All articles should be tagged with the owner's name and the name of the craft. Heirloom items may be dated also. Articles may be brought to the hall on the morning of the show. Doors will be open at 9 a.m. and closed at 11 a.m.

ART - Drawings by members of the Bon Accord Art Club will be on display in the basement. This display will represent the work of the 11 members who have recently completed the Drawing 1 Course, Department of Extension, University of Alberta. Instructor is Mr. Alan Belsheim of Edmonton.

There will be a small admission fee. Tea will be served free of charge.

Here's How to Make It Rain: Bale Hay!

Haybaling. The hardest, most hated job on the farm. Beat those backbreaking bales with the Harvestore Blues. When you farm the Harvestore way, you put up your hay crop as haylage from the seat of your tractor. You cut it when you want to, not when the weatherman says good weather is on the way.

Avoid the rainmaker!

Because Harvestore processed haylage is a medium moisture forage, you can take it out of the field a lot sooner. So you get less weather damage, greater feed quality. The Harvestore System makes feeding haylage more profitable than ever. There is less labour. Greater feed quality.

world's leading manufacturer of automated feeding systems.

THE RECENTLY REVISED STORY OF Snow White Ericksen

NOTE: ANY SIMILARITY BETWEEN THIS STORY AND SNOW WHITE AND THE SEVEN DWARFS IS PURELY COINCIDENTAL.

ONCE UPON A TIME THERE WAS A GROUP OF KINDA WICKED CAR DEALERS THAT WERENT TOO HAPPY WITH SNOW WHITE ERICKSEN. THEY DECIDED TO CAST A SPELL ON HIM. THEY PUT ON GI-GANTIC CAR SALES... OFFERED ALL KINDS OF DEALS AND PRIZES AND WENT THROUGH ALL SORTS OF PERSUASIVE ANTICS. FINALLY THEY THOUGHT THEY HAD BEATEN HIM IN THE CAR SALES INDUSTRY. JUST TO MAKE SURE THEY CONSULTED THE MAGIC MIRROR TO FIND OUT HOW THEY WERE DOING.

MIRROR, MIRROR, ON THE WALL...
WHO IS THE FAIREST DEALER
OF THEM ALL?

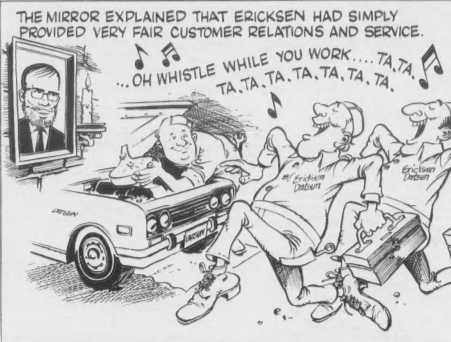

TO THEIR HORROR THE MIRROR ANSWERED...

ERICKSEN DATSUN
IS PROBABLY THE
FAIREST OF THEM ALL.

THE GROUP CONSULTED WITH THE
MIRROR TO FIND OUT WHY...

THE MIRROR EXPLAINED THAT ERICKSEN HAD SIMPLY
PROVIDED VERY FAIR CUSTOMER RELATIONS AND SERVICE.

...OH WHISTLE WHILE YOU WORK... TA, TA
TA, TA, TA, TA, TA, TA, TA.

THE MIRROR TOLD THEM OF SNOW WHITE ERICKSEN'S DEALERSHIP DEEP IN THE ENCHANTED DOWNTOWN AREA WHERE HE AND HIS SEVEN GREAT LITTLE CARS BUSIED THEMSELVES IN COMPLETE AND HAPPY UNION TO BRING EDMONTONIANS SATISFACTORY DRIVING AUTOMOBILES.

RUMBLE
RUMBLE.

THEN THERE WAS SLEEPY A CUTE
LITTLE 1200 DATSUN SEDAN...

HA HA!

Z

AW, SHUCKS!

DUH...

NOT TO MENTION 'DOPPEY'
THAT CUTE LITTLE 810
DATSUN STATION WAGON...

THERE WAS
GRUMPY THE ROUGH,
TOUGH, LITTLE DATSUN
PICKUP TRUCK...

THERE WAS HAPPY A GREAT
LITTLE 1200 DATSUN FASTBACK...

AND BASHFUL
THE FORTILAC
810 DATSUN SEDAN...

ROAR!

AND LAST OF ALL 'SNEEZY'
THE ALL NEW STREAMLINED
DATSUN 610 HARD TOP.

ACHOO!... CURSE ME.

AND 'GRUCHY' THAT SLEEK
POWERFUL DATSUN 240 Z...

THE MAGIC MIRROR EXPLAINED
TO THE OTHER DEALERS.....IF
YOU CAN PROVIDE PEOPLE WITH
A FAIR DEAL AND SERVICE AS
SNOW WHITE ERICKSEN HAS,
NO DOUBT YOU WILL GROW AND
PROSPER, AND LIVE HAPPILY
EVER AFTER AS HE AND HIS
CUSTOMERS.

THE MORAL OF THIS STORY ISIF YOU REALLY WANT TO BE SNOW WHITE
IN THE EYES OF EDMONTONIANS...YOU'VE GOT TO PROVIDE A FAIR PRICE,
A GOOD RELATIONSHIP WITH CUSTOMERS AND BE PREPARED TO BACK UP YOUR
SALE WITH THE FAIREST OF SERVICE. YOU'LL BE A HERO TOO.

PROBABLY THE
FAIREST DEALER
OF THEM ALL!
